

Meet Anas

“I really like coming into KiwiClass, it's like a totally different world.

Hi my name is Anas, I am Palestinian but grew up in Germany. I started here at KiwiClass last October. It's really fun to work with the teachers. Volunteering is great, it's fun and it's also quite fulfilling. I also really like all the students I worked with, many of them speak Arabic but with very different accents. So that was very interesting. I really like coming into KiwiClass, it's like a totally different world. You get welcomed by many different smiles from everyone and that's quite a beautiful feeling.
