“I found  
KiwiClass fascinating

I started volunteering when I retired from my other life in learning support. I was looking for something meaningful to do and this looked really exciting. I found KiwiClass fascinating, welcoming and stimulating. It's very easy to be a part of the team.

Q

**What would you say to someone who is considering volunteering?**

A

Well go for it! Make contact and see if it is for you... This is one of the most **wonderful** and valuable things you could do as a volunteer.
