

## Soklang

"Hello, my name is Soklang.  
I am from Cambodia.

I like that you here teach us to speak,  
read and write English. We have never  
known English like that before.  
Now I got a job as kitchen hand, and I  
like my work."

Soklang joined KiwiClass in 2024,  
and she moved from our beginner  
class to our highest level class in less  
than two years!

Soklang showed great enthusiasm  
and passion for learning: she  
attended every class she could, and  
worked hard studying in the  
morning, in the afternoon, and  
during holidays.

"I have never  
known English  
before, now I  
can speak, read  
and write, and I  
have a job"

In 2025, Soklang came to Job Club to  
learn about working in New Zealand,  
and apply for jobs. In a few months  
she shared great news with us: she  
got a job offer and is starting to work  
as a kitchen hand.

We are very happy for you,  
Soklang, your dedication  
and hard work helped you  
achieve your goals!
